Subject: Supplemental HPS Info Requested by EPA at Our Feb Mtg.
Attachments: CBG_Supplemental_HPS_to_EPA.pdf; Attachment1.pdf; Attachment2.pdf; Attachment3.pdf; Attachment4.pdf; Attachment5.pdf

To the EPA Hunters Point Shipyard Team:

During our February 15 presentation on Hunters Point Shipyard issues, EPA requested some supplemental information. Please find it enclosed.

We note that the Navy still has not released its PRG calculations for public review. If you can update us on the status of that matter and where things stand, we would appreciate it.

With best wishes,

Dan Hirsch
